- 7** Finalize shelf installation by folding the shelf tabs down and insert back through the second slot on the back of each (A) Body to lock them into place.

- 8** Assemble and insert (H) Filler Box into each (A) Body and (B) Shelf 1. Insert tabs at the back of the (A) Body into the (H) Filler Box.

- 9** Arrange assembled displays and components as shown. Attach the (D) Top Tray with the (H) Filler Box tabs. Insert (L) Header Tube and then assembled (G) Header. Fasten (E) Bottom Center Tray to each (A) Body with (J) Fasteners.

MISSING PARTS / DAMAGE CLAIM INSTRUCTIONS

1. DO NOT discard the box or original packaging.

In the case of damaged goods caused by shipping, photo evidence will be required.

2. Take photos of the box & markings.

A photo of the markings (text) on the side of the box is required for all cases in which a replacement part is needed. This helps to identify the item number and ensures the correct parts are pulled.

3. Take photos of damage (if applicable).

A photo of the damaged part(s) is always required to file a claim and expediently process the replacement part. Please make sure you keep the box even if it is damaged.

4. Send an email with the images requested.

Email a description of the claim along with the images required above at displaybuilds.com/contact or directly to help@displaybuilds.com. Call our toll-free number 1-866-308-8368 for further assistance.
