7 On the back of the display, fold the tabs on each (D) Shelf down, and insert back into the bottom slot on the (A) Body to lock into place.

8 Insert (E) Header into (A) Body to complete assembly.

9 Assemble (G) Shelf Fillers by folding as shown and place into the bottom 3 (D) Shelves.

10 Place display on center of (I) Bottom Tray and remove (E) Header to store on back of display.

11 Square up (H) Shroud and slide over display and header. Fold flaps on (H) Shroud as shown and package tape closed.

12 Fold (I) Bottom Tray around (H) Shroud as shown and secure with packaging tape.

MISSING PARTS / DAMAGE CLAIM INSTRUCTIONS

- 1. DO NOT** discard the box or original packaging. In the case of damaged goods caused by shipping, photo evidence will be required.
- Take photos of the box & markings. A photo of the markings (text) on the side of the box is required for all cases in which a replacement part is needed. This helps to identify the item number and ensures the correct parts are pulled.
- Take photos of damage (if applicable). A photo of the damaged part(s) is always required to file a claim and expediently process the replacement part. Please make sure you keep the box even if it is damaged.
- Send an email with the images requested. Email a description of the claim along with the images required above at displaybuilds.com/contact or directly to help@displaybuilds.com. Call our toll-free number 1-866-308-8368 for further assistance.
