<p><b>1</b> Attach the 1st (B) Long L-Bracket on the upper back side of the (A) Winger with x2 (C) Screws on each side, using (D) Tool. Then, attach 2nd (B) Long L-Bracket on the lower back side, but don't tighten all the way.</p> 	<p><b>2</b> Hook the (A) Winger onto the upright column.</p> <p>Lower (B) Long L-Bracket can be moved up/down accordingly to hook into the corresponding holes on the bottom of the upright column. Once hooked in, secure the (A) Winger by tightening the (C) Screws on the lower (B) Long L-Bracket, using (D) Tool.</p> 	<p><b>3</b> Connect the (A) Winger to shelf by adjusting the Magnets accordingly, and secure it, when the right placement is found.</p> 	<p><b>4</b> Assembly completed.</p>

## MISSING PARTS / DAMAGE CLAIM INSTRUCTIONS

- DO NOT discard the box or original packaging.  
In the case of damaged goods caused by shipping, photo evidence will be required.
- Take photos of the box & markings.  
A photo of the markings (text) on the side of the box is required for all cases in which a replacement part is needed. This helps to identify the item number and ensures the correct parts are pulled.
- Take photos of damage (if applicable).  
A photo of the damaged part(s) is always required to file a claim and expediently process the replacement part. Please make sure you keep the box even if it is damaged.
- Send an email with the images requested.  
Email a description of the claim along with the images required above at [displaybuilds.com/contact](https://displaybuilds.com/contact) or directly to [help@displaybuilds.com](mailto:help@displaybuilds.com).  
Call our toll-free number 1-866-308-8368 for further assistance.
