Cable Ties 2

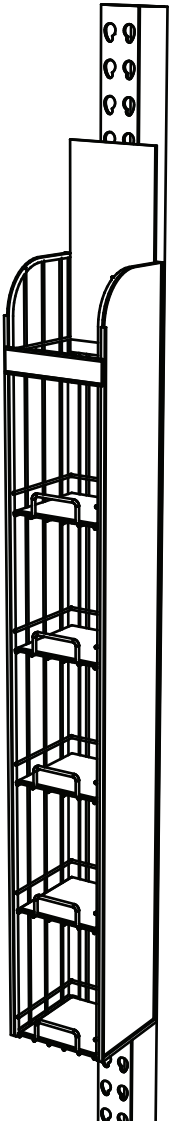

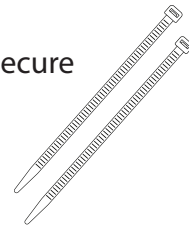

1 If not already installed, insert Left & Right (B) Side Panels, (C) Header, and (D) Channel Strip into corresponding channel slides.

2 Hang (A) Display on the side of a shelf or rack. Secure to store fixture in 2 additional locations with (E) Cable Ties and tighten each.

E Secure

## ! MISSING PARTS / DAMAGE CLAIM INSTRUCTIONS

1. **Keep the box and packaging.** If items are damaged during shipping, photo evidence is required.
2. **Photograph the box and markings.** Include a photo of the text on the box for all replacement part requests to ensure accurate identification.
3. **Photograph the damage.** Photos of the damaged parts are required to process claims and expedite replacements. Retain the box, even if damaged.
4. **Email your claim.** Send a description and the required photos to [displaybuilds.com/contact](https://displaybuilds.com/contact) or [help@displaybuilds.com](mailto:help@displaybuilds.com).
