1 If not already installed, insert Left & Right (B) Side Panels and (C) Channel Strips - alternating artwork - into corresponding channel slides.

2 Hang (A) Display on the side of a shelf or rack. Secure to store fixture in 2 additional locations with (D) Cable Ties and tighten each.

! MISSING PARTS / DAMAGE CLAIM INSTRUCTIONS

- 1. Keep the box and packaging.** If items are damaged during shipping, photo evidence is required.
- 2. Photograph the box and markings.** Include a photo of the text on the box for all replacement part requests to ensure accurate identification.
- 3. Photograph the damage.** Photos of the damaged parts are required to process claims and expedite replacements. Retain the box, even if damaged.
- 4. Email your claim.** Send a description and the required photos to displaybuilds.com/contact or help@displaybuilds.com.
